“Wanting to be someone else is a waste of the person you are.”

Dear Parent,

This has been experienced that there are lot of parents of Grade 11th & 12th always under confusion about the career of their children. SGI School has organized a Career Fair on Saturday, 28th September 2019 in which there are more than 40 university representatives participating. These representatives are from India and abroad. Depending on passion and aptitude of students, they can meet the representatives and can see the presentation showcased by them.

You all are cordially invited to remain present for the same, so that you will have the opportunity to interact directly with the representatives and know about the procedures of admission into different universities.

The universities are from Engineering, Medicine, Art, Law, Agriculture, Science, Commerce, Management and Design background. As per the requirement of students they can collect information about the universities and can make further preparation. The timing of the fair is from 10am to 5pm. Parents are requested not to miss this opportunity as you can have a proper discussion for your child. You are requested to be present at 10am for the inauguration ceremony of the University Fair.

Thanking you.

Warm Regards,

Mrs. Sasmita Mohanty
