FROM

THE CHAIRMAN'S

DESK

On Behalf of "STAR AIR" it gives me immense pleasure to welcome you on board Embraer 145

I am sure you will have an amazing experience while flying with us. Our aircraft is a testimony of the perseverance, thoughtfulness & dedication of our team at Star Air.

I am reminded of the remarkable aviation journey that has been an integral part of our diversified Group. With our successful Helicopter Charter Operations, diversifying into Scheduled Commercial Operations was a logical step. The aviation sector in India provides tremendous opportunity for growth, which has also fueled my passion for the same.

Star Air is also our endeavor to contribute to the development of tourism and trade in the hinterland of India. We look forward to connect the real India and are thankful of the opportunity offered to us to have you on board. We look forward to your strong support and continued patronage in the times ahead.

With gratitude in our hearts and excitement all around, each and every member of Star Air joins me in assuring quality yet efficient service to you all, our esteemed Guests.

We have specially and carefully prepared a menu for you on board and we hope you will enjoy & savor the same.

Welcome to the "Star" world and have a truly blessed flight. We look forward to associate with you in future too.

Bon Voyage..

SANJAY GHODAWAT
Founder, Chairman

ENHANCING AIR CONNECTIVITY

The Group commenced its Aviation activities by acquiring a Eurocopter EC120 in 2005. Today the Group has already added 2 additional Eurocopters - EC135 & EC130 and plans to add many more to improve the regional connectivity in India.

The Opportunity

India has a tremendous potential when it comes to regional air connectivity. The Group has identified a successful business model by offering air charter services under the non scheduled operator module.

The Stature

Ghodawat Aviation enjoys great repute in the air charter services business due to its modern & state of the art fleet of helicopters. It has now laid out a clear plan for the next stage growth in the air charter business by acquiring more helicopters & is also into the final stages of acquiring planes

The Capabilities

Ghodawat Aviation currently owns 3 Helicopters and is registered as Non Scheduled Operator with the Civil Aviation Ministry of India, has world class infrastructure for operation of its fleet.

The Offerings

- Eurocopter EC 135
- Eurocopter EC 130
- Eurocopter EC 120
